Updates Regarding a New Site and Getting Power at Snowbowl

After Cenni talked with NV Energy, they said they were good with the TV District installing part of the power line. There would have to be a contract in place stating NV Energy would not be liable. There are new laws in effect that require bushhogging each year for fire protection. It will be another 6 to 8 weeks for a quote. The TV District can still explore sharing the cost with the city.

Repair Service Report and Site Updates

Paden reported to Dale that he conducted the annual PM's at all the sites. He found something wrong at Peavey and fixed it. Nothing significant to report.
